WRIT PETITION NO.29935 OF 1997

Date: 29-03-2007

Between:

Perla Dhanaraju …Petitioner

And

Visakhapatnam Steel Plant …Respondent

THE HON'BLE SRI JUSTICE NOOTY RAMAMOHANA RAO

WRIT PETITION NO.29935 OF 1997

O R D E R:

None appeared for the petitioner. Heard Sri M.Jayaram Reddy, Advocate, representing Sri V.Ravinder Rao, learned counsel for the respondent.

The same question that is raised in this writ petition has fallen for consideration in Writ Petition No.26686 of 1997, which was decided by me on 28-03-2007. It has been pointed out therein as under-

> *"The scheme of rehabilitation which has been talked of in the writ petition, had not been placed before this Court to decipher any subsisting obligation on the part of the Vishakhapatnam Steel Plant for compulsorily providing employment to the land losers. In the absence thereof, all I have to reckon is that the Steel Plant had to notify the number of vacancies as and when any recruitment process is initiated by it to the special employment exchange created by the State Government at Gazuwaka where the names of land oustees/land losers have been registered so that the special employment exchange will be able to sponsor the names of qualified and eligible candidates to be considered for selection by the Steel Plant. Therefore, the writ as prayed for cannot be issued, but however, the*

Vishakhapatnam Steel Plant will continue to live with its promise or the policy of notifying the number of vacancies to the special employment exchange at Gazuwaka and in the event, the special employment exchange sponsors the name of the writ petitioner for recruitment taking into account and consideration of the qualifications and eligibility criteria, the Vishakhapatnam Steel Plant will then consider the name of the writ petitioner along with others as well."

Following the same, similar directions are issued even in this case. The writ petition is accordingly disposed of. No order as to costs.
